EDWARD JONES—Jonathon P. Hibbard

IN THE SPOTLIGHT

Jonathon Hibbard joined Edward Jones as a financial advisor in 2016, opening the firm's fourth branch office in London. He is a 2010 graduate of Eastern Kentucky University, and holds a bachelor's degree in education.

Jonathon has been married to his wife Nikki for 11 years and they have two children. He is originally from Laurel County and an active member of the community, serving as an ambassador for the London-Laurel Chamber of Commerce.

His branch office administrator is Jennifer Smith. She is dedicated to providing you with the highest level of service possible. Please don't hesitate to call on her with questions concerning your statement, dividends, stock certificates or your account in general.

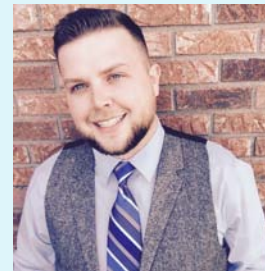

Relationships are key, and in Jonathon's view, meeting face to face builds strong relationships. He will meet when it's convenient for you because he recognizes the challenging needs of your businesses and your lives.

Jonathon wants all of his clients to know there's nothing more important to him than **understanding what's important to you**. Only then, can you and him work through his **established process** to help you **build personalized strategies** and the specific actions needed to **help you achieve your goals**. He will continue to **partner with you** and your family **throughout your life**, revisiting your goals and risk tolerance, as well as the strategies developed, to help **keep you on track** toward your goals.

Please give Jonathon Hibbard and Jennifer Smith a call today to schedule your appointment at 606-260-8967. They are located at 1574 N Main Street here in London.

Political Forum Held on April 23rd

The Chamber recently held a Candidate Forum for races to be decided in the upcoming May election. The forum was well attended by the community and was also broadcast live on the radio at WANV Kool Gold. Featured at the forum were these races: Laurel Co. Court Clerk, Sheriff, Property Valuation, Magistrates, Supreme Court and State Representative.

Special thanks to Jackson Energy for the use of their meeting facility and to Robert Dyche for serving as our moderator for the evening.

The London-Laurel County Chamber of Commerce does not endorse any candidate. It does, however, realize the importance of educating the voting population of our community as it relates to the issues that are facing London and Laurel County both now and in the future. As a Chamber member, we know you are concerned about the future of our city and county and making an informed choice in the upcoming election is critical to the continued growth and success of our community.

Remember to vote on Tuesday, May 22nd and let your voice be heard!
