London-Laurel Co. Chamber of Commerce CEO Deanna Herrmann Joins Kentucky Chamber Board of Directors

Deanna K. Herrmann, Chief Executive Officer of the London-Laurel County Chamber of Commerce, has been elected to serve on the Kentucky Chamber of Commerce Board of Directors. Herrmann will serve on the 70-member board, which represents a cross-section of key business and industry leaders from across Kentucky.

Herrmann has been the CEO of the London-Laurel County Chamber for over seven years, but before starting her role at the Chamber, she served the Chamber as a volunteer for over 10 years while working at The Job Shop Staffing Services. In her role at the Chamber, Herrmann's goal is to understand the needs of businesses, while making the connections in the community for growth and prosperity.

"Deanna is an important addition to the Kentucky Chamber's Board of Directors," said Chamber President and CEO Dave Adkisson. "She will help us carry out the Chamber's mission – uniting business and advancing Kentucky."

Congratulations Deanna!

ACTIVE SHOOTER TRAINING HELD IN OCTOBER

Around 60 chamber members attended the Active Shooter Training at Jackson Energy on Monday, October 29th. Instructors Bobby and Michelle Day conducted the training class that was offered free of charge to Chamber members and their employees. The event was co-sponsored by Center Target Firearms & Indoor Range and the Chamber of Commerce.

Groundbreaking Held For New Water Tower

A new 500,000 gallon elevated water tank will soon be built in Laurel County thanks to a \$1.3 million grant awarded by the U.S. Army Corps of Engineers. U.S. Rep. Harold "Hal" Rogers (KY-05) announced the grant award during a ground breaking ceremony at Laurel County's new Greer Industrial Park. The water tower will support future businesses at the industrial park, as well as approximately 375 current businesses in the community, and more than 5,600 homes in the area.

"When prospective businesses are looking for a place to create jobs, we must have the land, water and other utilities available to demonstrate that we are ready and able to support their work," said Congressman Rogers. "I want to applaud Laurel County Judge Executive David Westerfield, London Mayor Troy Rudder and Paula Thompson, executive director of the local industrial authority, for having the foresight to advocate for this new water tower and prepare for future growth."

Construction of the new water tower is expected to begin in Spring 2019.

October Luncheon

Special Thanks to our Luncheon Sponsor:

The October Luncheon featured a Political Forum for candidates running in the November Election. A large crowd was in attendance to hear from the candidates and to help them make a more informed decision on Election day. A big thanks to R.W. Dyche for acting as moderator for the event.

The Ambassador Patrol Strikes Again!

The Chamber Ambassadors continued their “patrol” last month and surprised six of our members with lots of goodies in hand. Each business was also presented a “free lunch” certificate to our general membership luncheon. The purpose of the Ambassador Patrol is to let our members know that we appreciate their commitment and support of our Chamber and to encourage further participation in Chamber events.

Be on the lookout. . . next month they might be visiting you!
