2019 Chamber Golf Classic

The Chamber held it's annual fall golf tournament on Friday, October 4th at the London Country Club with 84 golfers participating. While the golfers enjoyed a delicious breakfast compliments of **Nesco Resource**, the ambassadors were busy selling golf balls for our 10th annual Golf Ball Drop and passing out goody bags and Chamber logo tumblers to the golfers.

The weather was perfect and everyone enjoyed a great day of golf and a delicious lunch catered by **LaDonna's Catering**. Also, **Day Bros RV Sales** brought a luxury RV for the golfers to tour. Hole-in-One contests were sponsored by **Adrenaline Cycles** and **Wildcat Harley-Davidson** with a chance to win a Can-am Defender or Harley-Davidson motorcycle on those holes. By 3 o'clock all the golfers had rolled in and the winners were announced. First Place went to **First National Bank & Trust**, Second Place went to **Hotwire Productions.net** and **Christian Sturgeon, PLLC** took Third Place.

To cap off a great day, everyone gathered to watch as a **Jackson Energy** lift truck was raised over the green and dropped over 140 golf balls over the hole. The ball that was closest to the hole was lucky ball #16, purchased by Fred Shannon. Fred won the Football Package, which included 3 tickets to a UK Football game with parking pass, donated by **Home Helpers Home Care** and 4 club level tickets to a Cincinnati Bengals game with parking pass, donated by **Ernest Matt and Kim House**.

The Chamber would like to express appreciation to this year's sponsors (page 1) and to the businesses that donated door prizes, goody bag items, food, snacks and drinks (page 8). We could not be the successful Chamber that we are without the help and support from so many generous members. Thanks to all!

IN THE SPOTLIGHT

Grace Health is happy to announce a very successful 3rd quarter across our organization. With an ever-growing patient base, we have been able to serve more individuals and families than ever before during this time frame. In fact, Grace Health set organizational records with 115 July and 105 August births! Our third quarter welcomed three specific events that are worthy of noting to the Laurel County Chamber: Vice President Mike Pence's visit, the opening of our second 340b pharmacy, and our new Laurel County location!

First, we are humbled and honored to have been mentioned in depth during VP Mike Pence's August 8th speech in Manchester regarding the opioid crisis. While Grace Health is not a drug rehabilitation center, we do play a large role in the overall epidemic. On the front end, our providers are fighting the opioid crisis every day. Opioid prescriptions have decreased across America by 34% since 2017. "That's progress!" Says VP Pence. And on the other side of the crisis, Grace Health prides itself with an integrated model of care, where the entire individual is cared for across multiple fronts. VP Pence referenced a grant associated with the Grace Health Integrated Behavioral Health Services (IBHS) Supplemental Funding. This grant will utilize \$145,000 of supplemental funding to meet the following objectives: (1) increase mental health/substance use disorder providers by one full-time employee; (2) to increase IBHS staff to add an additional care manager; and (3) to increase access for patients needing substance use and mental health services. Within 2-3 months of receiving the funding, Grace Health will hire a full-time Psychiatric Nurse Practitioner and a full-time Behavioral Health Care Manager.

To continue our integrated model of care, Grace Health places an importance on providing the appropriate education and consultation of prescription medications. We have a 340b pharmacy in Corbin and recently opened our second 340b pharmacy location in Manchester on August 29th. The 340b program enables Grace Health to reach more eligible patients and provide more comprehensive services. The services funded by 340b savings include: (1) **Free and discounted medications** - provides free and discounted medication pricing to all patients on the Grace Health sliding fee scale program; (2) **Clinical Pharmacy Services** - funds all Grace Health clinical pharmacy services including chronic disease state management clinics, Medication Therapy Management, and Medication Adherence/Synchronization Programs; (3) **Case Management** - manage high risk patients and audit quality initiatives; and (4) **Substance use disorders** - providing medication, counseling services, behavioral health and medication monitoring to our pregnant women and other patients with alcohol/opioid addiction.

Finally, and maybe our biggest recent news is our signing on of Dr. Samuel Kreis and his practice. Mountain View Family Practice will become the **Grace Health Mountain View Clinic** as of December 1, 2019. The clinic is located at 272 London Mountain View Dr., London, just off of I-75. Dr. Kreis and his team come with a highly respected reputation in the community and we are very excited to have them as a part of our team.

Grace Health is delighted to extend our service area into Laurel County and we look forward to the stories, successes, and excitement that will come from the 4th quarter. Thank you for welcoming us into your professional community!

Dr. Samuel Kreis signs the contract to become a part of Grace Health alongside Michael Stanley, CEO.

The Ambassador Patrol Strikes Again!

The Chamber Ambassadors continued their “patrol” last month and surprised five of our members with lots of goodies in hand. Each business was also presented a “free lunch” certificate to our general membership luncheon. The purpose of the Ambassador Patrol is to let our members know that we appreciate their commitment and support of our Chamber and to encourage further participation in Chamber events.

Be on the lookout. . . next month they might be visiting you!
