## 2021 Chamber Golf Classic

The Chamber held its annual fall golf tournament on Friday, October 1st at the London Country Club with 103 golfers participating. While the golfers enjoyed a delicious breakfast compliments of **Nesco Resource**, the ambassadors were busy selling golf balls for our 12th annual Golf Ball Drop and passing out goody bags and London-Laurel-Opoly games to the golfers.

The weather was perfect and everyone enjoyed a great day of golf and a delicious lunch catered by **Old Town Grill** and served by **Century 21 Advantage Realty**. Hole-in-One contests were sponsored by **Adrenaline Cycles** and **Wildcat Harley-Davidson** with a chance to win a Can-am Maverick or Harley-Davidson motorcycle on those holes. Around 3 o'clock all the golfers had rolled in and the winners were announced. First Place went to **Safelite Auto Glass**, Second Place went to **Hotwire Productions.net** and **Hometown Bank** took Third Place.

To cap off a great day, everyone gathered to watch as a **Jackson Energy** lift truck was raised over the green and dropped 276 golf balls over the hole. The ball that was closest to the hole was lucky ball #275, purchased by Jason Burton. Jason won a prize package which included a fire pit, donated by **Lowe's**, a Corn Hole set, donated by **Maple Leaf Furnishings**; and a \$100 meat certificate, donated by **C&P Quality Meats**.

The Chamber would like to express appreciation to this year's sponsors (page 1) and to the businesses that donated door prizes, goody bag items, food, snacks and drinks (page 8). We could not be the successful Chamber that we are without the help and support from so many generous members. Thanks to all!

IN THE SPOTLIGHT

Local Chambers of Commerce are our nation's strongest small business advocates, providing a voice for thousands of communities across America. When businesses succeed, communities succeed, and local chambers are there every step of the way empowering businesses to grow and thrive even in the most challenging of circumstances. That's why the U.S. Chamber of Commerce is proud to celebrate "Support Your Local Chamber Day" on October 20th.

Over the course of the last year, local chambers, with support from the U.S. Chamber, led the way in helping small businesses safely reopen and put them on a path to recover from the devastating effects of the COVID-19 pandemic. To celebrate and highlight their efforts, here are three ways you can support your local chamber:

### 1. Support Other Chamber Businesses

Each local chamber of commerce website contains a directory making it easy to find businesses in your community. Supporting these businesses not only boosts the local economy but also fosters deeper community involvement.

### 2. Encourage Other Businesses to Join

Consumers know that businesses that are chamber of commerce members can be trusted to care about their customers and their communities. Becoming a chamber of commerce member means your business is backed by the knowledge and experience that only the U.S. Chamber of Commerce network can bring with its over 100 years at the forefront of the business community.

### 3. Follow Your Chamber on Social Media

If you haven't already, follow your local chamber on Facebook, Instagram, and Twitter. Want to stay in tune with business issues nationwide? Check out the U.S. Chamber's small business blog **Co**, at <https://www.uschamber.com/co/>
