## KENTUCKY CHAMBER WOMEN'S SUMMIT

Leaders from across the Commonwealth came together for the **4th Annual Kentucky Chamber Women's Summit** in June. The event celebrated the achievements of many women, including Woman in Leadership Award honoree Alice Houston, while also giving the opportunity for more than 700 women and men to gather, connect, and learn from one other. This year's gathering featured a range of discussions on critical topics including leadership, career advancement, and work-life balance.
