# OUT AND ABOUT

We had a great time representing the London-Laurel County area at the Kentucky State Fair in Louisville! We were able to connect with a variety of folks and tell them about all the wonderful things that makes London-Laurel County a magnificent place to live, work, and play.

Additionally, Flowers Bakery graciously provided their amazing Honey Buns to give away to all the great people that visited us at the Pride of the Counties exhibit!

# AUGUST LUNCHEON

William Galinger, General Manager at Walmart Supply Chain #6097, shared about Walmart's Spark Good partnerships and all the ways Walmart supports our community, including relief efforts following the recent tornado. We appreciate all they do on behalf of the many organizations in our community!

Judge Executive David Westerfield provided an update on ongoing tornado relief efforts and gave a heartfelt thank you to all the volunteers, businesses, and organizations who stepped up to help. He reminded us that by coming together as a community, we remain strong and resilient.

Additionally, Dr. Sandi Curd highlighted the incredible work of Upper Cumberland Community Foundation and Foundation for Appalachian Kentucky. Their fundraising efforts for tornado relief have raised well over \$500,000 with nearly half of those funds already distributed to those impacted. You can learn more or donate at <https://www.appalachianky.org/communities/uccf/>.
